

IMAGEN - HELPING YOU TO MAINTAIN BUSINESS CONTINUITY IN 5 EASY STEPS

1

First Steps

Tell us about your business goals. What do you want to do with your content? Who is it for? Just answer a few simple questions and we'll provision a platform that's suitable for your needs.

2

Onboarding

We help you to organise and prepare your media and any descriptive information (metadata) so it can be uploaded quickly and efficiently.

3

Configuration

Imagen is completely configurable, so workflows, registration processes, security and access controls can all be tailored to your needs.

4

Add your brand

We can work with you to create a great looking platform that reflects your brand. Choose from a range of themes and add logos, widgets and rich media content to create a perfect online experience for your audience.

5

Promote

As part of our training package, we'll show you how to introduce your platform to your users through a range of built in marketing tools. You'll be up and running in a matter of days and our 24/7 support will also be on hand to give you help when you need it.
