GO FOR CORE FEATURES

INTUITIVE, SMART, SIMPLE

DRAG AND DROP UPLOADS

Single file, batch or folder – enjoy easy uploads via an intuitive web interface.

AUTO TAGGING

AI powered auto tagging, speech to text and custom descriptions.

FAST, PRECISE SEARCHING

Simple keyword searches, sorting, filtering and timecode accurate results.

WORKS WITH ALL FILE TYPES

Video, Images, Audio and Office files all in one place and easily searchable.

REVIEW AND APPROVE

Coordinate feedback on creative projects – streamline production workflows.

CONTEXT SPECIFIC COMMENTS

Add time-coded annotations, tag colleagues and highlight areas for review.

CUSTOMISABLE

Make it yours – add your logo and choose a colour scheme to match your corporate look and feel.

ORGANISE AND COLLABORATE

Create projects, invite colleagues and stakeholders. Share content via secure links and embed in websites.

GO FOR DAM, WITHOUT THE DAMN!

SAY NO TO

Expensive, bloated corporate DAMs that take an age to configure and require training.

Clunky old fashioned DAM user interfaces, that limit productivity and waste valuable time.

Basic file hosting services that lack control, security and professional presentation.

GO FOR

Agile and intuitive media management - set up in minutes and ready to be used by anyone.

An intuitive user experience that allows creative teams and IT staff to get on with their real jobs.

A secure platform with flexible sharing and access controls that make collaboration and distribution simple.
